

Dear Exhibitor,

#### WELCOME TO SEATRADE MARITIME CREW CONNECT GLOBAL 2024!

This Exhibitor Services Manual is a comprehensive guide to the technical services available at Seatrade Maritime Crew Connect Global 2024.

We request that Exhibitors study in detail all the services available and comply with all the instructions. This particularly applies to the application deadlines on each order form, and we ask you to act before the dates shown. Failure to do this causes frustration and inconvenience to all parties and will result in additional costs and surcharges payable by you, the Exhibitor. We therefore ask you to give this due consideration.

The manual is separated into six parts:

<u>Section One</u> contains important information including important deadlines and the team contact list. <u>Section Two</u> contains important general information about exhibiting and the exhibition timetable.

<u>Section Three</u> comprises of hotel and venue information.

<u>Section Four</u> contains important information about your tabletop and what is included.

*Section Five* contains important information about health & safety, <u>it is compulsory that this information</u> is read.

<u>Section Six</u> comprises of all supplier order forms. Venue Work Permit – <u>Needs to be completed by the</u> <u>Exhibitor, for all external Contractors, or Suppliers.</u>

Finally, this Exhibitor Services Manual is not designed to replace our personal service. If you have any questions or require further support, please contact our Customer Services team.

#### **ALTERATION TO EXHIBITION LAYOUT**

Here is the floorplan layout you can refer to for the event this year:

<u>CrewConnectGlobal2024 – Shangri-La The Fort Manila | November 12-14 2024 | Tuesday – Wednesday – Expo Floor Plan by ExpoFP</u>

Unforeseen circumstances may occur which necessitate an alteration in the layout of the Exhibition Floorplan. Exhibitors will be advised of all changes made to the floorplan. The Organiser cannot be held liable for any detriment that this may cause the Exhibitor.

#### AUDIO VISUAL

Audio Visual presentations must be contained within the booth area. Please note that AV volume must be kept to a level that does not disturb other Exhibitors. The Organiser reserves the right to restrict the frequency and/or cancel demonstrations if they are felt to be a nuisance to other Exhibitors. We also strongly recommend adding any transcript to all presentation showing visible by delegates.

Variety Communications is the official AV contractor for Seatrade Maritime Crew Connect Global, and can supply a variety of equipment for hire, please use the order in the Forms Section, Section 6.

#### BALLOONS

The sale or distribution of gas-filled balloons at **Shangri-La, The Fort Manila Hotel** is not permitted. Exhibitors will be responsible for any costs incurred for removal of balloons from the ceiling and any damage they may cause.

#### **BANKING/ATMs**

There are numerous ATMs located in **Shangri-La, The Fort Manila Hotel**, please go to the hotel reception desk for more information.

#### BREAKDOWN

Please refer to the Exhibition Timetable at the start of this section.

The Exhibition closes at 15.30hrs on Thursday 14<sup>th</sup> November. Under no circumstances may breakdown commence before this time due to health & safety regulations, and as a courtesy to delegates and fellow exhibitors.

Please remove personal effects or small and valuable items from your hired furniture and stand as soon as the Exhibition closes at 15.30hrs on Thursday 14<sup>th</sup> November 2024. Please bear in mind the conference next door will still be running, so low volume will be appreciated.

If you leave any freight shipments (clearly labelled) on your stand space and leave the Exhibition, please notify the Organisers as unless otherwise instructed any items left on your stand will be considered as rubbish and disposed of accordingly.

Breakdown is a vulnerable time for any items left unattended. Exhibitors must take care of their personal items. Exhibitors will be charged for the removal of any large waste left behind.

<u>Please note: The freight collection deadline is 18:00hrs on Thursday 14<sup>th</sup> November 2024.</u> <u>Your transport must be onsite before this deadline.</u>

#### **BUILD UP PERIOD**

Please refer to the Exhibition Timetable at the start of this section.

Access will not be permitted before 10:00hrs on Monday 11<sup>th</sup> November. All work must be completed by 20:00hrs on Monday 11<sup>th</sup> November to allow for room cleaning.

The Organiser's may dispose of an Exhibitors stand space without further notification or formal notice of default if they have failed to meet their obligation to pay the Organiser's on time.

Please note due to Health and Safety regulations and insurance purposes, children under the age of 16 are not permitted during Build Up and Breakdown periods.

#### **BUSINESS EQUIPMENT/ SERVICES**

The Events Concierge at Sha **Shangri-La, The Fort Manila Hotel**, is a one-stop centre that offers professional and responsive services to event organizers and guests. Event and business support include, but are not limited to the following:

#### **DEMONSTRATIONS & ADVERTISING ON STANDS**

All types of demonstration (e.g., the operation of machines and live presentations) require advance notification and the written consent of the Organisers. Demonstrations must be carried out in accordance with health and safety regulations. A Risk Assessment may be required.

The Organisers are entitled to restrict or prohibit such demonstrations - even if consent has previously been given - if they interfere with the Exhibition or are detrimental to public safety.

Acoustic advertising also requires authorisation and must not disturb neighbouring Exhibitors. Musical reproduction by means of digital services requires written approval. In accordance with copyright regulations, Exhibitors must obtain the relevant licenses and permissions prior to the beginning of the Exhibition.

For more information and for permission please contact the Organisers:

Operations	Fharisa Hersi	fharisa.hersi@informa.com

#### **DILAPIDATIONS**

Exhibitors are liable for any damage they may cause to buildings, floors, walls, shell scheme equipment or other Exhibitor's property. Exhibitors are also responsible for any damage caused by their agents or Contractors.

Any damage caused will be charged directly to the Exhibitor.

#### **DISABLED FACILITIES**

Disabled toilet facilities are available at the lobby level, same level as the Exhibition rooms. Please make sure you add transcripts on all presentations displayed on screen for everyone's benefit.

#### **DISTRIBUTION OF LITERATURE**

The distribution of literature is prohibited unless from your own stand. This includes distribution in the common areas and foyers.

#### **ELECTRICAL REGULATIONS**

For safety and liability reasons, the installation of electrical power onto tabletops stands at Seatrade Maritime Crew Connect Global may only be undertaken by **Variety Communications**. **Variety Communications** will ensure that all connections are verified as safe before being energized. The electrical facilities in the **Grand Ballroom A** are subject to Regulations of **Shangri-La**, **The Fort Manila hotel**.

Exhibit Booth Personnel are required to provide their own extension leads and adaptors and are responsible for them being properly wired and electrically tested. All electrical equipment and extension lead used must have been subject to combined inspection and test by a qualified electrician, including insulation and earth bonding tests. Inspected equipment must be clearly labeled with inspection labels.

Any electrical equipment on the stand must be in sound condition, with live conductors enclosed and inaccessible and cables properly protected against damage. Due diligence must be taken by the Exhibitor to avoid the venue's electrical system being overloaded due to the actions of the Exhibitor. Where an electrical installation is being wired or installed on site by the Exhibitor, such work must be undertaken by a qualified electrician in accordance with local wiring codes. Seatrade Maritime Crew Connect Global reserve the right for the official electrical contractor to inspect or test any wiring or installation and to disconnect if it is not properly installed and safe. Such inspection costs will be charged to the Exhibitor.

Seatrade Marime Crew Connect Global reserve the right to remove or disconnect any electrical equipment which appears defective or has inadequate evidence of electrical inspection.

The standard power supplies offered by **Shangri-La, The Fort Manila hotel** are single phase and three phases:

#### Single phase neutral & ground 220V Three phase neutral & ground 400V

Electrical connections must be kept accessible.

You will be provided with 1 electrical socket. If you have any questions, please contact:

#### **REGULATIONS**

By the agreement between the Exhibitor and the Organiser's, Exhibitors commit themselves to strict compliance with all Regulations of the Organiser's, **Shangri-La, The Front Manila Hotel**, and the Local Authority.

#### **SECURITY**

The Organiser will take every reasonable precaution throughout the Exhibition. However, Organiser's security is designed to secure the Exhibition Hall not the contents of individual stands.

Exhibitors should take care to ensure that their goods are safeguarded and should not leave their stands unattended during the Build Up, Breakdown or Open Hours of the show.

The Organisers cannot be held responsible for any loss, damage or accident that may occur to any Exhibitors property or personnel; therefore, Exhibitors must arrange full insurance cover.

#### SECURITY ADVICE FOR EXHIBITORS

*Please take a few moments to consider how you can secure your products and belongings while on-site. The following tips should assist you.* 

#### Speak to the Organisers about security for your stand if you have specific concerns

Find out if they operate a lockable store for valuable items, such as computer equipment, overnight. If they do not, make your own arrangements for safe storage.

#### Plan your arrival and departure from the venue during Build-Up & Breakdown

Ensure that there are at least two representatives setting up and dismantling your stand if feasible, so that the stand is never left unattended during these vulnerable periods. Plan to remove all products and portable items from your stand as soon as possible.

#### Book sufficient staff for your stand during the show

This ensures it is always staffed. Do not ask a neighbouring exhibitor to watch over your stand while you go for a break: they may become busy and not be able to keep an eye on your stand.

#### Place a lockable cabinet on your stand

Lock away briefcases, mobile phones, handbags, laptops, etc. during the day even when you are on your stand. If you get busy, you may not notice someone taking them. Please also check all lockable units on your stand before leaving them at night.

#### Do not position desirable items at the front of your stand

You may not always be able to keep an eye on them and they may be easily removed.

#### Avoid leaving your stand each evening before visitors have left the show

Likewise, ensure your stand is fully staffed by the show opening. Remember, however, the halls are open each morning from 0800 for all exhibitors and their maintenance staff.

#### Report anything of a suspicious nature to the Organisers or Security

Leads can be followed up to avoid incidents of theft.

Additional individual security can be ordered from **Shangri-La, The Front Manila Hotel**. For more information, please contact:

Contractor	Email 🖂
Shangri-La, The Fort Manila Hotel	kay.hernandez@shangri-la.com

#### **SMOKING**

Smoking is prohibited inside the **Shangri-La, The Front Manila Hotel** and is only permitted in designated smoking areas. Please ensure all your stand personnel are aware of this regulation.

#### **STAND SHARING**

If you are sharing a booth with another company, please ensure that you contact the Sales team. Failure to inform the Organisers may result in problems with your show guide entries, and with the receipt of other important information. There is a fee for any additional companies on your stand. For more information, please contact the Sales team:

Sales	lan Beattie	T: + 44 (0)20 8052 0508	ian.beattie@informa.com
-------	-------------	-------------------------	-------------------------

#### **STORAGE**

There is no storage space available within the Exhibition Hall for Exhibitors unused goods and packing boxes. It is forbidden to store exhibits or materials between or behind stands due to the risk of fire. Anyone wishing to arrange storage should contact the Organisers.

#### **SUSTAINABILITY**

We are continuously looking for opportunities to improve our impact- environmentally, socially, and economically. To find out what you can do as an exhibitor to help us deliver a more sustainable event, please see our Exhibitor Sustainability Checklist, Last 4 pages of this manual.

#### **TEMPORARY STAFF**

If you require temporary staff, please contact Variety Communications to discuss your requirements.

<u>Contractor</u>	Telephone	Email 🖂
Variety Communications	T: +65 9672 3066	jay@varietycommunications.com

#### WASTE MANAGEMENT & REMOVAL

To reduce the volume of overall waste we urge all Exhibitors/Contractors to maximize their efforts to reuse and recycle materials where possible. All effort should be made to minimize waste.

### Section 5 – Health, Safety and Security

#### YOUR RESPONSIBILITY AS AN EXHIBITOR

Seatrade Maritim Crew Connect Global reserve the right to require the removal from the premises of any persons who do not comply with Company requirements, or who put themselves or others at risk. Seatrade Maritime Crew Connect Global similarly reserve the right to require the removal of any plant, equipment, or material that, in their opinion, is dangerous when used in the way intended.

All Personnel and Contractors employed by you must be provided with the necessary information, instruction, training and supervision in health and safety matters before coming on site.

Main areas which you must give due thought and consideration to before and during your time on site.

- Understanding of Fire and Emergency Procedures and location of First Aid Centre (if available). All staff must be notified of these procedures.
- It is necessary to keep specific gangways clear during Build Up/ Breakdown and throughout the Show Open Days for emergency evacuation purposes. These will be identified to you during Build Up and Breakdown of the show.
- Working at height must always be done in a safe manner using suitable equipment in the approved way e.g., scaffold towers, hard hats etc.
- All mechanical lifting equipment, i.e., forklift trucks, cranes etc. must be operated by EFI Logistics no one else will be permitted to drive or operate machinery of any description in the loading bays or Exhibition Hall.
- Personal Protective Equipment (PPE) MUST be worn for the duration of build-up and breakdown of the exhibition.
- Portable power equipment should only be used for the purpose for which it is designed, with safety guards and devices fitted and used. Power leads must be kept to a minimum and not cross any gangways. Power requirements must not overload the systems order. Such equipment must never be left unattended with power supplied to it. Please do not create a floor hazard at any time.
- All staff must be trained to ensure that safe working practices and good housekeeping is maintained in all work areas, minimising hazards.
- Exhibitors must obtain their Contractors Health & Safety Policy, details of specific safety procedures, competence and training of staff and the named individual Safety Officer responsible for the company. Please be aware that you may be asked to produce this documentation prior to Build Up.

Please note: It is the responsibility of the Exhibitor to ensure that Contractors employed by them are aware of all Health & Safety rules contained in this Manual.

If you require more information, please contact:

Operations Fharisa Hersi fharisa.hersi@informa.com

#### 2) RISK ASSESSMENT AND METHOD STATEMENT

#### Booths:

Exhibitors are not always required to undertake Risk Assessments. However, if any of the activities below are planned, you will be required to undertake a Risk Assessment prior to the exhibition, identifying the hazards present on-site & ways in which you will minimise & control these risks. Activities are:

- I. Any hazardous or moving exhibits on your stand.
- II. Any live demonstration or event involving members of the public.
- III. Any significant construction within your shell scheme.
- IV. Where your staff meet other hazardous areas of the exhibition.

#### HEALTH & SAFETY A – Z

#### ACCESS TO SAFETY EQUIPMENT AND SIGNAGE

Fire and safety signs are provided by the venue, for example indicating escape routes and warning of hazardous materials, prohibited areas or no smoking and these signs must be obeyed. Exit door lighting, fire signage and safety equipment signs must not be obstructed unless permission has been given by the Organiser's and alternative arrangements made.

#### ACCIDENTS

Any accidents that occur within the Exhibition Hall must be reported to the Organiser's Office or the venue staff <u>immediately</u> so that treatment can be coordinated and, if necessary, emergency services can be called and directed to the correct location. It is advisable for Exhibitors/ Contractors to have their own First Aid pack available for minor injuries.

The Organisers Office is located next to the Exhibition Hall and contact details will be provided nearer the time.

#### **ALCOHOL & DRUGS**

The abuse of alcohol, drugs and other substances can affect work performance and safety. Any person found to be under the influence of such substances and, in the opinion of the Organiser's and their representatives, constitutes a danger to themselves or other people will be removed from the Exhibition by Security Officers. The consumption of alcohol is not permitted in the exhibition hall at any time.

#### **CHILDREN**

Children under the age of 16 years are not permitted in the Exhibition Hall during the Build Up and Breakdown or during show open hours.

#### **ELECTRICAL SAFETY AND EQUIPMENT**

For safety and liability reasons the installation of electrical power onto stands may **only** be undertaken by **Variety Communications**, the official electrical Contractor, who will ensure that all connections are verified as safe before being energized. The electrical facilities in the Hall are subject to Regulations of the **Shangri-La**, **The Fort Manila Hotel**.

#### **FIRE EXITS/ EXTINGUISHERS**

Fire Exits and fire alarms must be kept clear of obstructions always.

#### HOUSEKEEPING

The exhibitors' staff are required to maintain good standards of housekeeping and not obstruct corridors or emergency exits unless the Informa Event Organiser has agreed to this, and alternative safety arrangements have been made. Combustible waste and rubbish must be removed from stand areas to the receptacles provided as soon as possible and always at the end of the working day. Any uncontrolled dumping of waste outside the bins allocated for this use is forbidden.

#### **SMOKING**

Smoking is not prohibited inside **Shangri-La, The Fort Manila Hotel** and is only permitted in the designated smoking areas. Exhibitors are required to make this clear to their staff. Those who ignore smoking restrictions will be excluded from the venue.

#### **SPECIAL RISKS**

Unless specifically agreed by the Seatrade Maritime Crew Connect Global 2024, Organiser in writing following a notice period of at least 30 days' notice, the following goods and equipment are prohibited and will not be admitted on to the exhibition:

- Flammable liquids or gases, compressed gas cylinders or radioactive materials and radiation generators.
- Goods classified as hazardous including toxic, corrosive, irritant, harmful or oxidising materials (except for small quantities of domestic cleaning materials in containers or aerosols of less than 500 cc capacity).
- Any activity or water feature involving water where there is a risk of Legionella.
- Activities involving hot-works such as oxy-acetylene cutting/welding (which must be subject to a specific hot work permit). Explosive, pyrophoric or spontaneously combustible materials.
- Lasers other than Class 1 lasers or those in completely enclosed equipment.
- Equipment that may cause nuisance due to odour, emission of objectionable noises or stroboscopic or disturbing lights, simulators, and rides.
- Animals.

#### SUBSTANCES HAZARDOUS TO HEALTH

Where the work of an Exhibitor/ Contractor involves the use of chemicals, or where the work generates dust or substances which may give rise to a health risk, the Exhibitor/ Contractor must have on site an adequate written Risk Assessment and current Material Safety Data Sheets for any chemicals used. Both the assessment and current Material Safety Data Sheets must be available on request for inspection by

the Organisers. The Risk Assessment must identify how risks to others in the vicinity are to be avoided as well as how risks to staff are controlled.

All chemicals used by Exhibitors must be kept in closed, correctly labelled containers, and stored safely and securely at the end of each working day.

Exhibitors/ Contractors must also have safe and legal transport and disposal arrangements for any chemicals used.

#### FIRE & EMERGENCY PROCEDURES

#### In the Event of Fire

The fire alarm sound for the venue is a bell. Should you hear the signal to evacuate, please leave immediately by the nearest exit. The assembly point is located on the Promenade by the Event Plaza. Do not stop to collect personal belongings and do not use the lifts. When you reach the assembly point, remain there, and await further instruction.

#### If You Discover a Fire

Raise the alarm by breaking glass. Please leave by the nearest exit and go to the assembly point and await further instruction.

In the event of an accident or an emergency contact a member of staff or dial, see below from an inhouse phone.

First Aid/ Medical as appropriate:	28
Fire:	28
Security:	29

Arrangements for disabled evacuation are as follows

- Disabled guests are registered from Front Office and MICE registration
- Pre-arranged lift lobby and lifts by designated TM's
- Disable guests are evacuated by staff to the same assembly area

In the case of any emergency, you must follow instructions given by the venue staff.

If you have any queries about the fire procedure or require special **assistance** in any of the above circumstances, then please approach a member of staff.

For both safety and security purposes ensure that gangways and fire exits are kept unobstructed always and that personal items are kept with you.

#### If you see anything suspicious, then report it immediately to a member of staff.

Please ensure that ALL your employees are aware of and comply fully with these procedures.

The Organiser's cannot be held responsible for damage, loss or injury however caused.

# Exhibitor Sustainability Checklist

We aim for all of our events to be run in an environmentally and socially responsible way whilst seeking to inspire sustainable development in our markets.

We do this not only because more than 80% of our attendees tell us that they care that our events are run in a responsible manner, but because it is the right thing to do for our customers, colleagues, and the communities we serve.

We would like to encourage you to join our sustainability efforts by completing the 10 point checklist enclosed in this document.

By working together, we can make the event more memorable, meet our audience's expectations and reduce wasted time, resources, and costs.

**10** things to remember

# **Exhibitor Sustainability Checklist**

Ensure your stand is designed so that its structure will be used again by either yourself or by your contractors.

2

For your travel and transport choose the most sustainable option possible for your journey to and from the event. Consolidate your shipments and use logistic companies that have sustainability credentials.

Select energy efficient, LED lighting and other equipment for your stand and be sure to power down your equipment at the end of the day.

(vj

Reduce paper handouts by going digital and source recycled, sustainably certified paper options where printing is needed.

When purchasing promotional items, consider the amount you order, the environmental credentials of the materials they are made from, as well as whether they are useful giveaways that will be used long after the event is over.

Want a supplier you can trust? We have developed long-term relationships with the most guality focused, reliable and responsive vendors in the industry. Our preferred partners can help you to exhibit sustainably and we encourage you to engage with them for any logistic, stand build, signage, lightning or accommodation needs you may have.

Help to support the sustainability of the local area by using local suppliers and considering the sustainability credentials of the hotels you book.

Get involved with the numerous initiatives and conversations throughout the event which aim to help facilitate and inspire the sustainable development of your industry.

Inspire the sustainable development of your industry by promoting your company's and your products' sustainability credentials.

Ensure you and your contractor are aware of and compliant with all health, safety and security requirements.

# Do you know what happens to your stand?

Have you ever considered what happens to your stand after the event? Although only used by a minority of our exhibitors, the use of single use, "build and burn" stands that only last a few days are a major source of waste. One single stand can create around 4 tonnes of waste. They also take longer to build, are more risky to plan and can contain a lot of hidden costs.

We would like to encourage every one of our exhibitors to join us in working towards the prevention of this unnecessary waste.
